Experience**

Welcome to ABRF!

Thank you for joining the Association of Biomolecular Resource Facilities (ABRF) this year. On behalf of the ABRF Executive Board and your 1500+ ABRF colleagues, we wanted to contact you to share more about the value of the ABRF community.

Did you know that you can add a wide range of details to your ABRF member profile, to specify your role and interests? From the technologies you work on, to details about your area of expertise, these details enable ABRF colleagues to learn more about your work and helps ABRF tailor the information that you receive to meet your needs.

We want you to make the most of *your* ABRF membership, so please take a moment today to fill out [this form](#) to update your profile.

Feel free to contact us if you have any questions or suggestions.
