What type of institution are you affiliated with? (check all that apply)

- Academia / University
- Government (research)
- Government (administrative)
- Hospital or Medical Center
- Non-profit Institution...
- Industry: Pharmaceutical
- Industry: Biotech
- Industry (instruments...)
- Industry (research and development...)
- Research Institute
- Other (please specify)
Q2
In what geographical region is your main research operation?

Beantwortet: 144   Übersprungen: 0

- Africa
- Asia
- Australia/New Zealand
- Europe
- North America
- South America

Q3
In what type of laboratory do you work?

Beantwortet: 143   Übersprungen: 1

- Biomolecular Core Laboratory
- Clinical Laboratory
- Research Laboratory
- Quality Control...
- Other (please specify)
What best describes your present position?

- Principal Investigator
- Core Lab Director
- Lab Manager
- Staff Scientist
- Technician
- Postdoctoral Position/Fell...
- PhD Student
- MSc Student
- Undergraduate Student
- Marketing or Product...
- Other (please specify)
Q5
My present position is:

Beantwortet: 120  Übersprungen: 24

- Tenured/Permanent
- Tenure-Track
- Non-Tenure

Q6
Do you regularly use Metabolomics Technology in your Laboratory?

Beantwortet: 121  Übersprungen: 23

- Yes
- Not yet, but have plans
- No
- Other (please specify)
How long have you been working in the field of metabolomics?

Beantwortet: 120  Übersprungen: 24
Q8
What is the primary nature of metabolomics experiments that you use or plan to use in your laboratory? (check all that apply)

Beantwortet: 119    Übersprungen: 25

- Untargeted
- Targeted (e.g. multiple MRM...)
- Semi-targeted (e.g. specific...)
- Other (please specify)

Q9
How many metabolomics analyses on average does your lab carry out each week for lab/clients/collaborators?

Beantwortet: 105    Übersprungen: 39

<table>
<thead>
<tr>
<th>Antwortoptionen</th>
<th>Beantwortungen</th>
</tr>
</thead>
<tbody>
<tr>
<td>Own project</td>
<td>Responses 72.38%</td>
</tr>
<tr>
<td>Core lab clients</td>
<td>Responses 60.95%</td>
</tr>
<tr>
<td>Collaborators</td>
<td>Responses 55.24%</td>
</tr>
<tr>
<td>Other (specify)</td>
<td>Responses 20.95%</td>
</tr>
</tbody>
</table>
What instrumentation do you currently use or plan to use for metabolomics (check all that apply)

- GC/MS Quadrupole (Q)
- GC/MS Time of flight (TOF)
- TOF (not including QTOF)
- QTOF
- Triple quadrupole...
- Single quadrupole
- FT-ICR
- Ion trap (not including...)
- NMR
- Other (specify)
Are you a member of any of these organizations? (check all that apply)

Beantwortet: 111   Übersprungen: 33

- ABRF
- Metabolomics Society
- Metabolomics Association ...
- American Society for...
- Other (please specify)
Which meetings organized by ABRF or its Chapters do you attend? (check all that apply)

- ABRF Annual Meeting
- Mid-Atlantic Association...
- Midwest Association...
- Northeast Regional...
- Southeastern Association...
- Western Association...
- Centre for Cellular and...
- Canadian Cytometry an...
- None

Beantwortet: 93  Übersprungen: 51
Q13
What do you perceive as the primary bottlenecks in metabolomics? (check all that apply)

- Sample preparation: 30%
- Chromatography: 10%
- Achieving comprehensively: 20%
- Data processing/...: 60%
- Compound identification: 70%
- Other (please specify): 10%

Q14
Are you interested in an online Metabolomics Workshop organized by ABRF?

- Yes: 100%
- No: 0%
Q15
What Metabolomics Workshop Topic would you be interested in? (check all that apply)

Beantwortet: 114   Übersprungen: 30

- Mass spectrometry...
- Sample handling...
- Data analysis
- Integration of multiomics data
- Other (please specify)

Q16
What type of study would you like to see the ABRF MRG conduct in the future? (check all that apply)

Beantwortet: 113   Übersprungen: 31

- Sample preparation
- Chromatography
- Data analysis
- Compound identification
- Other (please specify)
Q17

Are you an ABRF Member?

Beantwortet: 109  Übersprungen: 35

Yes

No

0% 10% 20% 30% 40% 50% 60% 70% 80% 90% 100%
